**REVIEWED: December 5, 2002**

### **SCHOOL BOARD POWERS AND DUTIES**

The Board of Directors shall have general charge of all the public schools of RSU 54/MSAD 54 and shall exercise such other responsibilities as specifically provided by law.

The Board shall concern itself primarily with broad questions of policy rather than with administrative details. The application of policies is an administrative task to be performed by the Superintendent and his staff, who shall be held responsible for the effective administration and supervision of the entire school system.

The Board, functioning within the framework of laws, court decisions, attorney general's opinions, and similar mandates from the state and national levels of government, and recognizing the authority of the state, fulfills its mission as the governing body of a political sub-division by acting as follows in the execution of its duties:

- A. Enacts policy;
- B. Provides for the planning, expansion, improvement, financing, construction and maintenance of the physical plant of the school system;
- C. Prescribes the minimum standards needed for the efficient operation and improvement of the school system;
- D. Requires the establishment and maintenance of records, accounts, archives, management methods and procedures incidental to the conduct of school business;
- E. Approves the financial reports, audits, major expenditures, payment of obligations, and policies whereby the administration may formulate procedures, regulations, and other guides for the orderly accomplishment of business;
- F. Prepares the annual budget for the operation, support, maintenance and improvement of the school system and presents the budget for public approval.
